BIENNIAL INTERNATIONAL
VIRTUAL CONFERENCE & EXPO

INDIA CHEM 2021

17th - 19th March 2021
Hotel Taj Palace, New Delhi

The largest event on Chemicals & Petrochemicals industry in India in its 11th edition, i.e. India Chem 2021, would be organized in New Delhi from 17th - 19th March 2021, jointly by Department of Chemicals and Petrochemicals, Government of India and FICCI.

Chemical industry is the mainstay of industrial and agricultural development of the country and provides building blocks for several downstream industries such as textiles, papers, paints, soaps, detergents, pharmaceuticals, varnish etc. Covering more than 80,000 products, this industry services large number of end use application industries. In India it is estimated that more than 2 million people are employed in this industry.

Indian chemical industry comprises of both small scale as well as large scale units. With initiatives like "Make in India" program gaining steam, investments, innovation and infrastructure are going to be the major thrust areas for chemical industry players. The current per capita consumption of chemical products in India is about 1/10th of the world average, indicating that the demand potential is yet to be realized. Moreover, India has a very strong outlook for the key end user industries. Going ahead, it is estimated that the demand of chemical products is expected to grow at 9% p.a. over the next five years and is pegged at 1.2X GDP growth.

Globally, chemical industry is estimated at $ 4.7 Tn in 2017, it is also driven by demand from end use industries. Indian chemical industry is estimated to be valued at $163 Bn in 2017 and contributes 3.4% to the global chemical industry. It ranks 14th in exports and 8th in imports of chemicals (excluding pharmaceutical products) globally.

Net imports have grown at 5.8% between 2014 and 2018 in volume.

HIGHLIGHTS: INDIA CHEM 2021

- International participation from Japan, Iran, Germany, Turkey, Vietnam, Korea are expected
- Participation of PCPIR States: Gujarat, Odisha, Andhra Pradesh & Tamil Nadu
- Buyers delegation from South America, USA, CIS, West Europe, Middle East and South East Asian countries & many more to join
- Over 20,000 Business visitors from India and abroad expected
- Over 300 Indian & International exhibitors expected
- Buyer-Seller meet
- Over 30 top CEOs from India and abroad will be deliberating at the Global CEOs Forum

HIGHLIGHTS: INDIA CHEM 2021

BUSINESS OPPORTUNITIES

- Transfer of technology, investment, joint ventures, research and development
- Supply of plant, machinery, process control equipment, projects and services etc.
- Logistics, warehousing & supply chain in Chemicals
- Sourcing requirements from India
- Showcase the latest products, machinery, equipments & developments in the industry for generating business and marketing
- Technology adaptation and up-gradation
- Joint venture partners and project collaborators
- Business tie-ups and collaborations
- Contract research & manufacturing

INTERNATIONAL PARTNERS

Year 2000 - **USA**
Year 2002 - **Germany**
Year 2004 - **Japan**
Year 2006 - **Italy**
Year 2008 - **France**
Year 2012 - **Japan**
Year 2014 - **Iran**
Year 2016 - **Iran**

VISITOR PROFILE

- CEOs, Engineers, Technocrats and Scientists
- Marketing Chiefs, Consultants & Sourcing Heads
- Chemical & Process Industry Professionals
- Manufacturers & Suppliers
- Distributors, Retailers & Traders
- Policy Makers, Diplomats and Foreign Commercial Corps
- Industry Associations and Trade Delegations from India & abroad
- Buying missions from neighboring regions
- Academics (both faculty and students)

INDIA PROMACH 2021

The show will specifically feature the companies from process plant machinery and equipments, control and automation systems, laboratory and analytical techniques, water and waste water treatment technology etc.

International Exhibition & Roundtable
AGROCHEM CONCLAVE & EXPO

The show will specifically focus on Agrochemical industry including Pesticides, Fertilizers, Crop Protection, Bio-Engineering Technology, Agrochemical machinery, Horticulture & Plastic Agriculture etc.

EXHIBITORS' PROFILE

EXHIBITORS' PROFILE

CHEMICALS

- Fine and Specialty Chemicals
- Agro Chemicals & Fertilizers
- Basic Chemicals, Dyes and Pigments
- Chemicals from Herbal and other natural resources
- Paints and Coatings
- Soaps and Detergents
- Clean Technology tie-up
- Consultancy for Waste management, Feedstock linkages, Processing, Marketing management, Safety and Environment protection
- Industrial R & D

PETROCHEMICALS

- Polymers
- Olefins
- Synthetic Fibers
- Elastomers
- Aromatics
- Surfactants

PROCESS PLANT MACHINERY & EQUIPMENT

- Process Technology
- Plants
- Machinery & Equipment
- Engineering Project Management & Construction Services
- Environmental / Pollution Management
- Filtration & Separation Systems
- Process Plant Design Services
- Pumps and Valves, Safety Systems
- Tubes & Fittings, Test kits & procedures
- Environmental & Water management systems
- Laboratory apparatus
- Research & Development
- Spectroscopy
- Testing & measurement technology
- Instrumentation & Process Control

PETROLEUM, CHEMICALS & PETROCHEMICAL INVESTMENT REGIONS (PCPIRs)

Gateway to a PROMISING MARKET

- Strategic location at ports for domestic and global markets
- Availability of adequate land with Government agencies/developers
- Excellent connectivity
- Institutional mechanism for management & implementation
- Deregulated industry and promotion of 100% FDI
- Ready availability of technical and skilled manpower
- Opportunities for investment through PPP mode and consortium with Indian partners
- Investment opportunities in utilities and services

PETROLEUM, CHEMICALS & PETROCHEMICAL INVESTMENT REGIONS (PCPIRs)
