Entrance Exam
for Indian Students:

"From time immemorial India opened up novel paths of learning. Wherever Buddha traversed, seeds of Knowledge sprouted and flourished. For centuries, Nalanda was a beacon of learning which attracted scholars from all over the world and became a symbol of Asian wisdom. It is now poised to embark on a similar journey on an expanded scale with Asia-Pacific and Indian Ocean countries joining in. If the world's future lies in achieving a multi-polar system, it is necessary that an institution such as Nalanda charts the course of a new knowledge system for the 21st Century"

Vice Chancellor
Prof. Sunaina Singh
