

MOVEMENT OF PASSENGER INSIDE AIRPORT

HEALTH SCREENING

- From the dedicated aerobridges, the passengers will arrive escorted by Airline Staff to the APHO Health Counters for Initial Thermal Screening, where symptomatic passengers would be isolated and moved to designated hospital as per the existing SOPs. **Note:** Airlines staff in the aircraft and at ground will ensure that the arriving passengers have filled their Self Reporting Form (SRF) properly. The passengers shall be asked to download Arogyasetu app on their mobile devices.
- After screening, the remaining asymptomatic passengers will be allowed to move to the designated Immigration Counters with passports and a copy of the SRF as per the existing SOP.

IMMIGRATION

- The passengers will be directed to the designated Immigration Counters, in case any passenger presents himself at any other counter, the Immigration staff would direct him to the designated counters.
- After clearance of immigration, the passport of the passengers shall be retained by the Immigration officials.
- Passengers in batches of 30, will be handed over to the escort team (24x7 - 5-member Team, Headed by CISF and comprising representative from DIAL, Airlines and Delhi Police). The passports of these passengers would be handed over by the Immigration staff to the Team Lead (CISF officer).

THE PASSPORTS SHALL NOT BE HANDED OVER TO THE PASSENGERS

- The Team, along with the passengers shall move to the luggage belts to collect the luggage. If there is any delay/missing luggage in the case of any/few passengers, the respective passenger shall stay behind along with a team member and the rest of the team and passengers shall proceed further through the customs.
- If there is any delay in the Customs Clearance, the respective passenger shall stay behind along with a team member, while the rest of the team and passengers shall proceed further.

CONTROL ROOM

- The Control Room In-charge would perform the functions of supervision and coordination.
- The escort team would report to the control room in-charge who will assign a counter to the batch.
- Control Room manned by the Officers from New Delhi district will ensure coordination with nodal officers of the different districts for smooth transportation of passengers to institutional quarantine centers.
- The team along with the passengers shall move to the designated area manned by Delhi State Govt. officials with logistics like Laptops, etc. to maintain the data base.
- There would be five-ten teams of medical officers and para-medical staff, as per requirement, deputed by Delhi Government to screen and guide about the protocol to be followed in paid institutional quarantine centers. These passengers would be linked to the IDSP, surveillance system.
- After entering their data, the passports of the entire batch will be given to the escort team who would take them to the designated institutional quarantine centers.
- The nodal officers would ensure that the escort team would escort these passengers to the buses provided by the state government and ensure their smooth and hassle free transportation to the institutional quarantine centers.
